## **The BERGEN'S BEST Soccer Philosophy**

---

For more than three decades Bergen's Best Soccer Camp, the premier soccer camp for youth and high school players in the North Jersey area, has had one simple goal:

**To provide the best learning environment to help you improve as a complete soccer player.**

Our staff of highly qualified counselors includes some of the state's top coaches and teachers of the game. The training sessions take place in a fun-filled environment that leads to an enjoyable as well as educational experience. Every training session challenges each player's ability in an innovative manner, and a typical camp day includes individualized instruction and small group activities.

**Our low camper-to-coach ratio is an essential ingredient in each camper's success.**

## **BERGEN'S BEST Directors**

- Head Boys' Soccer Coach at Ramapo High School

### **ROY NYGREN**

### **BRANDON SILVA**

### **STEVE SILVER**

## **BERGEN'S BEST Keeper's Advantage**

---

Youth and high school players who specialize in goalkeeping can receive the Keeper's Advantage at Bergen's Best Soccer Camp. Walter Gotrell, BBSC goalkeeper coach, focuses on the unique mental and physical development of the keeper.

**Regardless of skill level, each keeper receives equal training and instruction at his or her own pace.**

The goal of the Keeper's Advantage is to teach the basics through a series of sequential training sessions held each morning of the weekly Camps that include all of the fundamental skills essential to the position. The staff works individually with each keeper to integrate the basic skills with that player's unique style of play. All keepers then participate in the Camp soccer games each afternoon.
